

# Stations of the Cross

## A walkthrough for young kids

*As you begin every station, pray:*

**Parents:** We adore you, O Christ, and we praise you.

**Kids:** Because by your holy cross you have  
redeemed the world.

## A note for parents

If your child loses interest halfway through, or if you need to skip a few stations here or there, it's okay! Each year as your child grows and matures, he or she will be able to follow along more closely. Make a note to show your child the Stations of the Cross in your own parish church. Walk them, if you feel comfortable.
