

DIOCESAN
MANAGER

MAKE CONFIDENT DECISIONS, BACKED BY REAL-TIME DATA

At OSV, we recognize the challenges you face in managing parish data. These obstacles prevent you from making informed decisions. To address these struggles and empower your diocese with effective solutions, OSV created a robust system – OSV Diocesan Manager—designed to transform your diocesan data management experience.

- Centralized data hub across parishes and ministries
- Customizable roll-up reporting for your diocese
- Seamless integration with OSV Church Manager and Online Giving
- User-friendly interface and workflows designed for both parish and diocesan staff

A CATHOLIC COMPANY HONORING CATHOLIC VALUES.

SIMPLIFY DATA MANAGEMENT AND STRENGTHEN DECISION-MAKING

Experience the Impact and Key Benefits of OSV Diocesan Manager:

Reliable and Consistent Data Quality

OSV eliminates the frustration of incomplete and inconsistent parish data by standardizing reporting across all parishes. Unified reporting gives you accurate and trustworthy insights to guide diocesan decision-making.

Real-Time Operational Oversight

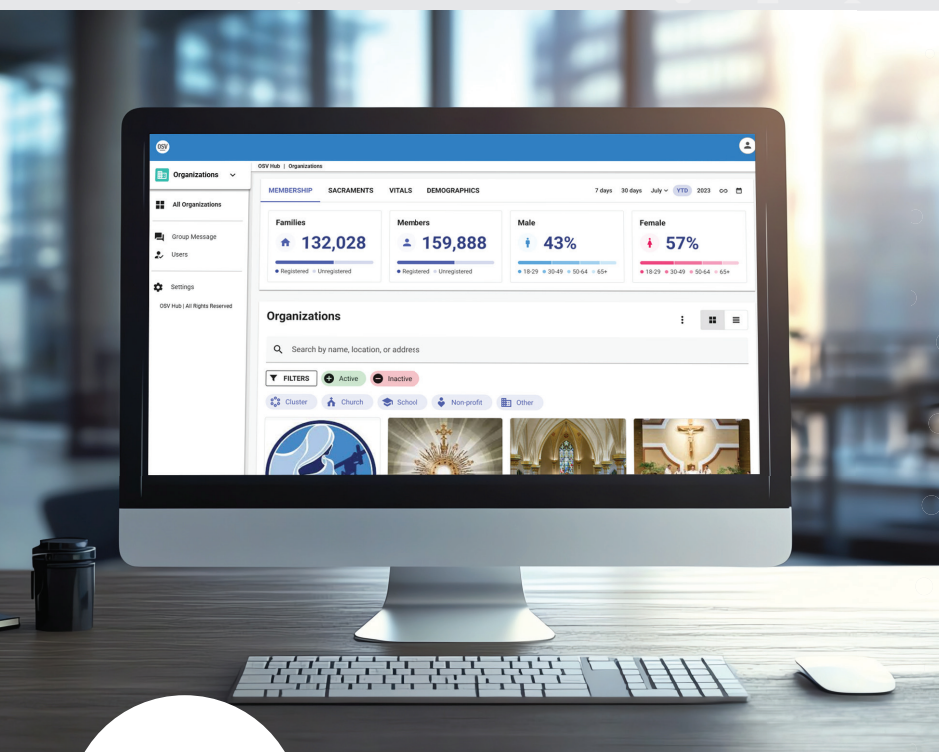

Stay ahead with instant access to live parish data, empowering you to monitor finances, membership, and engagement trends as they happen. OSV Diocesan Manager enables proactive support, helping you address challenges before they become problems.

Seamless and Centralized Data Access

OSV simplifies how you retrieve and utilize data by providing a single access point for all parish reports. No more sifting through scattered files—just streamlined workflows and quick, data-driven decision-making.

Empowered Leadership & Collaboration

Enhance transparency through standardized, easy-to-understand reporting that builds trust between diocesan leadership and parishes. Diocesan leaders can confidently optimize resources and support parishes more effectively, strengthening collaboration for a thriving faith community.

EMPOWER YOUR DIOCESE WITH CLARITY AND CONFIDENCE

OSV Diocesan Manager unlocks the full potential of your diocese. Streamlined data management, enhanced parish support, and empowered informed decision-making await.

For over 100 years, OSV has supported dioceses in their mission to serve and strengthen their parish communities. With powerful data management solutions, we help diocesan leaders make informed decisions, enhance parish collaboration, and foster thriving communities with clarity, purpose, and confidence.
